NPDES Permit Application No. PAC480125 A-1  
Cty.#: 8-22-1-72  
East Allen Township, Northampton County

Dear Ms. Witt:

Under the authority of the federal Clean Water Act and Pennsylvania's Clean Streams Law, the Northampton County Conservation District has approved your request for a minor amendment to your permit. The latest versions of the NOI and all supporting documents, including the Erosion and Sediment Control (E&S) Plan and Post-Construction Stormwater Management (PCSM) Plan, are incorporated into this approval.

The terms and conditions of your permit, including the expiration date, have not otherwise changed. In addition, if stormwater discharges associated with construction activities are expected to continue beyond the expiration date of your coverage, you must apply to renew your coverage at least 180 days prior to the expiration date, unless otherwise approved by the Department of Environmental Protection (DEP) or the District.

If you have questions, please contact Nicholas DiPaolo by e-mail at [ndipaolo@northamptoncounty.org](mailto:ndipaolo@northamptoncounty.org) or by telephone at 610-829-6276 and refer to Permit No. PAC480125 A-1.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dion R. Campbell".
